

How to find us...

From the M1 / Sheffield Parkway

Leave the M1 at Junction 33 and follow the A630 / A57 Sheffield Parkway towards Sheffield City Centre.

Continue until you reach signs to the right for the A61 Barnsley Road. You will go under a bridge and onto the B6074 signs for Nursery Street and the Wicker. Continue on the B6074 Mowbray Street and take the first left onto Ball Street and turn immediately left again into Lion Works.

Sheffield Design Studios and Hildred Design should be straight in front of you.
